

Lt. Neller

October 29, 1943

Lt. Colonel Lowman

Recalling our discussion, it is my understanding that Sergeant Lang leaves immediately for 10 days' leave. Since we have air priority for him and theater approval and since Colonel Glavin has cabled again about his coming, please advise SRS so that we can get him off as near November 9 as possible.

cc to: Sergeant Lang

LANG, Robert E.
